

Mountain View United Methodist Church Preschool Calendar for the 2009-2010 School Year

Mountain View United Methodist Church Preschool **generally** follows the Cobb County School Calendar, with the exception of our beginning and ending dates and the GA Preschool Assn. Conference. We close for inclement weather whenever Cobb County closes and if the health and/or safety of our students/staff is concerned. In order to keep tuition to a minimum, we will NOT pro-rate for scheduled days out, nor will we make up missed days.
